Friday, July 24, 2020

Dear Parents/Guardians and Community Members,

This morning the district received information that student-athletes in the volleyball, cross country, and football programs tested positive for COVID-19, which is believed to be from an off-campus event. **Effective immediately, all activities associated with the Richmond volleyball, cross country and football programs have been suspended until at least Monday, August 10, 2020.** In a previously letter sent to families, activities have already been suspended for the cheer program.

As a precautionary measure student-athletes in the affected programs are encouraged to contact their physician for further guidance and follow the recommendations of the Center for Disease Control (CDC), which includes quarantining for a defined period of time.

The safety of students and staff is our number one priority. We encourage all students and families to follow the guidance of the CDC and executive orders issued by the Governor.

Sincerely,

Brian J. Walmsley, Ed.S.
