SUMMER SCHOOL/CREDIT RECOVERY INFORMATION

Registration for summer school/credit recovery will be individualized by student this year. Students and parents/guardians will be provided information about failed classes (to date) and the opening of registration the week of May 29. This will help to streamline the process and ensure students are completing the correct classes needed for graduation. Summer school/credit recovery will officially begin June 19.

COLLEGE ABLE

Macomb Community College is excited to announce that we will be offering an academic catch-up program this summer called College ABLE (Academic Boost for Learning Experiences)! This program is part of a state-wide initiative administered by the Michigan Community College Association, to help combat learning loss among recent high school graduates who experienced interruptions to in-person learning due to the COVID-19 pandemic. That said, the program is open to ALL students who plan to begin at Macomb in Fall 2023! The program will provide students the opportunity to better prepare themselves for math and English courses, as well as connect

them with valuable student support knowledge and tools to ensure their success. Students can choose from one of the three 4-week sessions offered during the summer semester:

- May 22-June 16
- June 19-July 14
- July 17-August 11

WHO: Any new student who wants to enhance their confidence and skills in math and English (Unfortunately dual enrollment/early college students are NOT eligible for this program)

WHERE: Hybrid options include online sessions and in-person meetings at South or Center Campuses

WHEN: Students will choose the session they prefer – and will then select from morning or evening options at South or Center Campus

Students who are interested can learn more on our [College ABLÉ webpage](#) and should complete the [inquiry form](#) to be notified when registration is available. Questions? Contact Daniel Brengel: brengeld365@macomb.edu or Aimee Adamski: adamskia@macomb.edu.

SUICIDE AND CRISIS LIFELINE NUMBER - 988

The new nationwide 988 three-digit dialing code will route callers to the 988 Suicide and Crisis Lifeline, previously known as the National Suicide Prevention Lifeline (NSPL). Michigan residents in crisis or distress can connect via phone, text, or chat with suicide prevention, mental health, and substance misuse support specialists using a nationwide, easier-to-dial phone number – 988. Calls to 988 are routed to Michigan 988 Centers. Like 911 and other national 3-digit phone numbers, 988 was created to be easier to remember and make crisis care easier to access. Starting in 2023, the Michigan Department of Health and Human Services is asking schools to begin the transition of shifting away from using the former NSPL number on the back of school identifications (IDs), replacing the 800 number with 988. For questions or additional information, please email MPCIP-support@mphi.org or visit the website [988 Suicide & Crisis Lifeline and Michigan Crisis & Access Line](#).

ATHLETE ATTENDANCE AND ELIGIBILITY

Per the Student-Athlete Code of Conduct, student athletes must be in class all six hours to practice or participate in a game. Regularly verified absences will not be held against a student. Reports will be run during 6th hour each day by the Athletic Department. Weekly eligibility checks will be conducted every Monday for the upcoming week. Students with eligibility issues need to first meet with their teachers prior to submitting the necessary documentation to Mr. Treend. Questions? Contact Mr. Treend at ptreend@richmond.k12.mi.us
