BLUE DEVILS

Counseling Corner

Mrs. May

We have been busy jumping into testing season with our students. The 8th graders took the PSAT 8/9 on April 12th as part of the required state testing. Our 5th, 6th, 7th and 8th grade students have started their M-STEP testing. Math and Language Arts are tested every year from 3rd grade through 11th grades. Science and Social studies are tested every 3 years, in 5th, 8th and 11th grades. Most of our M-STEP testing is wrapping up at the end of April and we are moving into NWEA testing, which is our progress monitoring test that is given three times each year.

Spring is also a busy time for scheduling behind the scenes, as course requests are finalized, decisions are made about which classes will be running next year. Then a master schedule is built to establish which class period each class will run before we can create individual student schedules. I love scheduling time!

Students going to the high school next year should have already submitted their course requests for high school as well. Please see Mrs. May with any questions or concerns.

OTHER IMPORTANT INFORMATION:

MEAL MAGIC

Richmond Community Schools uses a computerized cash register/point of sale system called "Meal Magic" that allows us to confidentially monitor student accounts, meal benefits, food allergies and food restrictions. High School and Middle School students will use their ID card or enter their student ID number on a key pad to make purchases of meals and a la carte items. Elementary students either use an ID card or are identified by name. Students should have their ID and money ready when they reach the cashier.

PAYMENTS

Recommended form of payment for meals is by check or online using a debit/credit card, but cash is also accepted. If sending a payment to the school, please put it in a sealed envelope with the student's name, grade and the amount of the deposit on the front of the envelope. Deposits can be accepted for a family if the individual student names and schools are listed. No change will be given from a deposit. Our point of sale system supports a history of deposits and sales for each student and allows parents to set limits on sales.

PAYMENTS/MEAL TRANSACTION REPORT

Deposits may be made online at <https://eps.mvphbanking.com/cgi-bin/efs/login.pl?access=55665> or at www.SendMoneyToSchool.com. Both sites allow you to deposit money in your student's account and to view account balances and meal purchases within 24 hours.

There is a transaction fee to deposit money, but it is free to view or set limits for your child's account. In order to access accounts, you will need to set up a free account and obtain your student's ID number. Please call your school office or the Food Service Department at (586) 727-2662 to obtain the ID number. Deposits may take up to 15 minutes to be posted to a child's account. If you would like to restrict the amount of money your child spends on a daily basis or if you would like to restrict their snacks, you may do this from either website or by contacting the Food Service Office.

CHARGING POLICY

Please see the student handbook for the district charging policy. Deposits can be made to the student's account at any time to provide your student with a full lunch when they forget their lunch money or lunch from home.

FREE/REDUCED APPLICATIONS

You can apply online for free or reduced-price meal benefits at www.LunchApp.com. This is the fastest and most secure way to apply for benefits. Paper applications are available in every school office during the school day and in the cafeteria during times that meals are served. Paper applications may take up to 10 days to process. Applications are accepted at anytime throughout the school year.

PREVIOUS 2021/2022 SCHOOL YEAR BENEFITS

Students who were eligible for free or reduced price meals at the end of the 21/22 school year at Richmond Community Schools will automatically be eligible for meals at the beginning of the 22/23 school year until October 06, 2022. After that date, a new application must be processed and approved by the Food Service Office for students to be eligible for benefits. It may take up to 10 days to process an application before benefits become available. Families are responsible for paying for meals until an approved application is on file with the Food Service Office. Please submit new applications early to avoid a lapse of benefits. Parents and/or guardians will be notified by US mail as to the student's eligibility.
