*"Working Together=
Learning for All"*

Happy New Year!!

From the Principals Desk...

The students are almost finished with the winter **NWEA test**. The data allows the staff to see the areas of instruction that need to be focused on as a whole class. The staff is also able to use individual student data to find strengths and areas of improvement to help individualize student learning. The students were focused throughout the entire testing. **Great job** to all students and a **thank you** to all staff that helped make the testing run smoothly.

Please be sure your children wear the appropriate clothing for outdoor recess during the colder months of the school year. Students go outside for recess, weather permitting, after lunch on a daily basis. **Students go outside for recess as long as the temperature and wind chill registers 15 degrees or above.**

The **3rd grade** students and staff have been hard at work preparing for the **M-STEP**. The students are assessed in English Language Arts and Math. The test window is **April 26- May 21**. Please do your best to avoid scheduling appointments or vacations during the testing windows.
